Set the Imagine to the type of stitch you want and serge. The Imagine will deliver a balanced stitch on any fabric with any type of thread. It even goes from one fabric type to another without skipping..

### **Fabric Support System**

Imagine no exposed thread and no thread guides. Baby Lock has made that wish come true with tubular loopers that can be threaded in any order. This eliminates threading mistakes and protects the thread, giving you more freedom to serge than ever before!

### **Looper Drive System**

This exclusive Looper Drive System prevents loopers from becoming misaligned or out of time, reducing the possibility of major looper damage. This protects your machine from needing repairs, allowing you to serge worry free!
